

VFW TO GIVE NEW YEAR'S EVE DANCE FRIDAY

Have Joyous Time At L-W Latin Class Yule Party

The Latin classes of Lincoln-Way high school held a Christmas party Dec. 14 in the home of Diane Batson, Elm street, New Lenox. The party began with a description of the Saturnalia which is the Roman equivalent of our Christmas celebration. Two plays were presented by the first and second year classes. The first year class presented "Saturnalia" with the following cast: Geta, Rich Miller; Hector, LaVerne Mark; Lucius Calpurnius, Jimmy Joe Staley; Boadicea, Bill Heidrich; Bellus, Alan Moger.

The second year class presented "A Roman and American Christmas Compared" in two acts. The cast in this play was: A Roman mother, Karen Brockman; Creusa, Julie Lesniewicz; the American Mother, Marilyn Cooper; Kitty, Ruth Heimerdinger.

Following the two plays, carols were sung in Latin and a Christmas story from the Bible was told in Latin also. The accompanist was Marilyn Cooper. The King of Saturnalia was then crowned by Miss Susan Greer, the club sponsor. The King, LaVerne Mark, was able to command the rest to do what ever he wished.

Games were played, including "Christmas Tree". Teams were selected by the king, who appointed Marilyn Cooper captain of the boys team, and Jimmy Joe Staley captain of the girls' team. Marilyn Cooper's team won and she, by the way, was winner of the "Christmas Tree".

Refreshments were then served. Attending were Alan Moger, LaVerne Mark, Diane Batson, Ruth Heimerdinger, Bill Heidrich, Jimmy Joe Staley, Julie Lesniewicz, Karen Brockman, Ruth Heimerdinger, Bill Heidrich, Jimmy Joe Staley, Julie Lesniewicz, Karen Brockman and Miss Susan Greer.

Mokena Keen Teens Have Carol Party

The young people of St. Mary's, under the supervision of Father Cecil, went carolling December 23 to help keep alive the customs of Christmas past. Starting at the Sisters' home and continuing in a roundabout way through town, the carollers were welcomed at the various homes, with appreciation.

Two hours later, when noses turned red and voices became husky, the Keen Teens gathered at Penny Spiewak's home for a weiner roast.

Happy talk and games were shared by all and everyone went home highly pleased and full of holiday cheer.

Student Council Sponsored Dance At L-W Makes Big Hit

"Winter Wonderland," a student council-sponsored dance was held in the Lincoln-Way gym Dec. 23. Highlight of the dance was the crowning of the queen, Emogene Anderson, who was crowned by Bill Heidrich. After being crowned, she was presented with a colorful corsage.

Christmas trees furnished a Yule atmosphere, and large candy canes marked the entrance to the "Winter Wonderland." The band furnished excellent dance music.

This was the first dance at which Lincoln-Way students were permitted to invite guests from other schools. Because of the great success of this dance, it is quite likely that others like it will follow.

Real Aunt Jemima To Bake Pancakes At Church Supper

The Brotherhood of St. Peters Evangelical church at Frankfort are going to sponsor a pancake supper with the genuine Aunt Jemima there in person to bake the pancakes.

This supper will be held in the church Tuesday evening, Jan. 18 starting at 5 o'clock to which they invite everyone, not only to enjoy a good pancake supper but to meet the genuine Aunt Jemima who has traveled far and wide serving such suppers.

Babson's Forecast

Roger W. Babson, noted economist, makes his "Business and Financial Forecast for 1955" in this issue. His forecast will be of great interest to every reader of this newspaper. Fifty-five different subjects are covered. Be sure to read it, on the inside pages of this issue.

Herman Subbert, Retired Farmer, Dies In Monee Home

Herman Subbert, 77, died at his home in Monee Monday. Although Mr. Subbert farmed most of his life in Monee, he was well known in the Frankfort area. He retired from farming six years ago.

Surviving are his widow Minnie, four daughters, Mrs. Sadie Bettenhausen and Mrs. Sylvia Bettenhausen, both of Manhattan, Mrs. Adeline Meyer, of Peotone and Mrs. Selma Morgan of Chicago. Also surviving are four sons, LeRoy of Peotone, Arthur of Mt. Prospect, Milton of Frankfort, and Lester of Red Oak, Ia., one sister Mrs. Anna Knater, of Peotone, and 11 grandchildren.

Funeral services will be held at 2 p.m. today, Thursday, Dec. 30, at the St. Paul Evangelical and Reformed church, Monee. The Rev. Walter Bloesch will officiate. Interment will be in St. Peter's cemetery, Green Garden township.

Perfect Spring Weather Marks Christmas, 1954

Delightful spring weather was enjoyed throughout this area on Christmas Eve and Christmas Day. While it was a far cry from the "White Christmas" so many of the youngsters dreamed about, to say nothing of many of the oldsters who had fond memories of the snowed-in Christmases of the past, the mild, beautiful Christmas weather was not too far out of line, for the weather bureau informs us that there have been only 52 "White Christmases" in the history of the Chicago weather bureau, with green Christmases preponderating by a wide margin.

Santa Claus has come and gone, everyone we know had a glorious time and a wonderful Christmas. Surely the lovely Christmas weather contributed greatly to the general feeling of peace and contentment that is essentially a part of the great holidays. It is not often that we have Christmas in the 40's. Even the rain which came late Sunday afternoon was a little too late to mar the memory of what we will always look upon as a perfect Christmas Day.

Homer Couple Hold Open House On 25th Anniversary

About 100 guests attended the open house Sunday afternoon and evening held in the home of Mr. and Mrs. William Roberts, in Homer, to observe their 25th wedding anniversary. The guests came from Joliet, Kankakee, Mt. Morris, Plainfield, Naperville, Lemont, Manhattan and Lockport.

The serving table was covered with a white lace cloth, with a centerpiece of baby mums and holly, flanked by tall red candles. Mrs. Charles Goss and Mrs. Hilma Rhodes of Lockport and Mrs. James French of Joliet presided at the silver coffee service in the afternoon, while Mrs. Carl Johnson of Manhattan and Mrs. George Jahneke of Joliet poured during the evening. Mrs. Lillian Hartman of Lockport was in charge of the guest book.

Everyone enjoyed the occasion meeting old friends and visiting. The honored couple received many beautiful cards and gifts.

Mrs. Ruth Sluiter Of Lincoln Estates Wed To Fred Hansel

Mrs. Ruth Sluiter, of Lincoln Estates, and Mr. Fred Hansel, of Joliet, were united in marriage Saturday afternoon, Dec. 18, in the office of the justice of the peace at Marionette Park.

Attending the young couple were her sister, Mrs. Cecelia Cooper of Mokena and Dean Newton of Sparta, Wis. They left on a three day motor trip to St. Louis, and are now residing in her home in Lincoln Estates.

Mr. Hansel is employed by the Public Service Co. in Joliet and is a World War II veteran.

PHEASANT HUNTING

More than 12,500 hunters went gunning for pheasants during the season just closed, says Conservation Director Glenn Palmer. The total bag of birds was set at 16,996, slightly less than the total for 1953. Heavy vegetation in the north and virtually no vegetation in the south hampered the hunters, according to Palmer.

A great many people are planning to "ring out the old, ring in the new" by attending the Wm. Martin VFW Post's New Year's dance, which will be held at VFW hall on Wolf road, Mokena, tomorrow evening, Friday, Dec. 31. Dancing will start at 9 o'clock and continue until 'way past the stroke of 12, when everybody starts singing Auld Lang Syne and the bells of New Year start chiming across the nation.

Preparations to make this New Year's dance a very memorable event have been in progress for a long time. A fine orchestra has been engaged and a very large crowd is expected, not only from Mokena, but from neighboring villages.

One of the main features is the free trip to Miami for two people who have purchased tickets for the dance, whether they are present at the dance or not. The trip includes air transportation for two persons both ways to this winterland haven, and seven days at the beautiful Majestic hotel located on the seashore at Miami Beach.

In addition to a trip to Miami for two persons, the Wm. Martin VFW Post is offering a second award of a \$25 defense bond to a third person.

The Post reports that a large number of tickets has been sold, indicating that a big crowd will be at the hall to see the Old Year out. The dancing party, it should be understood, is not only for young people who are up on the modern dance steps, but for old timers who were past-masters in the waltz, two step square dance, and Virginia Reel, as well as for groups who do not care to dance at all but prefer to sit around and visit with old friends, or enjoy delightful music and the merriment of a New Year's Eve. It will be a wonderful place to meet old friends, for most of them will be here to enjoy an evening of wholesome fun and merriment.

To Show Hawaiian Movies At St. Mary Keen Teen Club

St. Mary's Keen Teen club will have as guest speaker, Mrs. Ray E. Over, at their Jan. 4 meeting. Mrs. Over will show movies of Hawaii, which will include the eruptions of the volcanoes, beautiful scenery and some of their holidays, such as Lei Day.

Mr. and Mrs. R. E. Over have traveled extensively in the United States, Mexico, and Hawaii, where they lived for 4 years, at which time they took movies of the beautiful island.

Parents of all members are invited to share in the fun.

Mokena Library Adds 300 Books

The Mokena library now offers more facilities for people who like to read and study than ever before. More than 300 books, old and new, have been added to the library recently. These books, which will be available for three months, were obtained from the Kankakee branch of the Illinois State Library, and may be withdrawn without charge for a two week period. They include a comprehensive selection of books for adults and a bountiful supply of well-written and illustrated books for children of all ages.

The Mokena Book Club, which sponsors the library, plays its part in making these books available so that children and adults may find continuing joy in the world of books.

Mrs. Edward Akers and Mrs. Leo Marcoux served on the committee for the exchange of books.

Tailoring Class To Start At Sandburg High School Jan. 12

Carl Sandburg high school home-making department will start a class in tailoring, to begin Wednesday, Jan. 12, at 7:30 p.m. Class work will require making a lined coat or suit. There will be a maximum of 10 sessions, allowing completion of garments before Easter.

Registration will be limited to 15 women at this time. Seven women for the beginning class have already signed up. Tuition will be \$10, payable at time of registration.

Mrs. Milton Geuther is in charge of registrations. Call Palos Park 1520 between 11:36 and 1:30 to register.

Planned expansion of electric utility facilities along the Ohio and Tennessee Rivers are expected to require 25,000,000 tons of coal a year by 1958, since all projected facilities will use only coal fuel.

As the old year fades and
a new one bows in, our
hearts sing out sincere
wishes for you and yours.

Another year is passing and a New Year stands at the threshold... an opportune time to thank our many friends and patrons for their friendship and loyalty during the past twelve months.

May the year 1955 prove richly rewarding to you, in old friendships strengthened, in new friendships gained, in success achieved, happiness enjoyed, and cherished dreams fulfilled.

Happy New Year, one and all!

Lincoln Estates Man Injured While In Car At Stoplight

Mr. James Dixon, of Lincoln Estates, who figured in an auto accident in Chicago about two weeks ago, has returned to work but is still under the doctor's care.

While driving to work at Swift & Co. in Chicago, where he is employed as a welder, he stopped at a red light. While waiting for the light to change, a car from behind hit his car with considerable force and knocked it into a ditch. The sudden jerk caused an injury to Mr. Dixon's neck and back, from which he has not yet completely recovered.

Damage to his car amounted to \$300. The motorist who struck his car was insured, and admitted to Mr. Dixon and the police that he was at fault. Mr. Dixon will be reimbursed for any expense to which he has been put.

Frankfort Grade School Puts On Fine Yule Program

The Frankfort grade school put on an interesting program the evening of Dec. 21, with band selections under the direction of Mr. Reed, two playlets, readings, solos and choruses.

The first playlet, "The Magic Christmas Tree," was given by the first and second grades, and the second, "A Visit from St. Nicholas," was given by the third and fourth grades.

Many were present to enjoy the program.

More than 94% of all coal used in electric utility plants is consumed East of the Mississippi river.

Summit Hill School Holds Its Annual Christmas Party

The Summit Hill school held their annual Christmas party, Dec. 22. The children presented several comedy sketches that were very amusing. Later, Santa Claus made an appearance with gifts for everyone, after which the annual turkey award was held.

Sandwiches, cookies and coffee brought the enjoyable evening to a close. Hostesses were Mrs. Betty Hentsch, Mrs. Lane and Mrs. Donna Been.

James Weeks Of Homer Weds Gloria Reiter Of Joliet

The marriage of Gloria E. Reiter to Mr. James Weeks, which took place in St. Dennis church in Lockport, Dec. 27, is being announced by her brother Ralph Reiter Jr.

The bride is a graduate of the Lockport township high school and is employed at the Bell Telephone company at Joliet. The groom, who is the son of Mr. and Mrs. James Weeks, Sr., of East 159th street, in Homer, is employed at the Caterpillar Tractor company south of Joliet.

Correction

In the Christmas issue of this newspaper, published last week appeared a Christmas greeting ad which was signed "Mary's Variety Store, Mokena." This signature should have read "Mary's Novelty Shop," as this is the correct name of this shop, which is located on Front street across from the railroad station.

Jail Brothers In Corn, Soybean Theft

William Jeffries, of Lincoln Estates, is in the Will county jail together with his brother, Sam, of Yorkville, both charged with larceny. Herman Stelter, of Frankfort township, signed the warrant for the arrest of the brothers, who, it is alleged, stole and sold beans and corn from farms in the Frankfort township region. William is charged with the theft and Sam with the sale. Sam was named as an accomplice of his brother and is also being charged with larceny.

Upon hearing that he was wanted Sam walked into the Kendall county jail from whence he was brought to Will County jail in Joliet. He was arraigned before Justice of the Peace Anthony Mackay last Friday. As he was unable to post the necessary bond—\$5,000—he was sent to the county jail.

Geraldine Swanberg And Randall Bunte To Marry Jan. 8

Mr. and Mrs. Andrew Swanberg of Frankfort are announcing the marriage of their daughter Geraldine of Mokena to Mr. Randall Bunte, son of Mr. and Mrs. Elmer Bunte of Mattoon, and formerly of Beecher.

The wedding will take place Saturday evening, Jan. 8 at 7 o'clock in the Evangelical and United Brethren church in Manhattan with the pastor, Rev. Earle Tinsley, officiating.

Although invitations have been issued, all friends and relatives are invited to attend the wedding and reception which will be held in the Beecher community hall following the ceremony, at 8:30 p.m.

Interesting Program Prepared By Parent-Teacher Group of L-W High

Seated, left to right: Mr. Harold Weber, secretary, New Lenox; Mrs. Floyd Mundi, vice president, Manhattan; Mrs. Herbert Folkers, president, Frankfort; Mrs. Alice Schwab, treasurer, Lincoln Estates. Standing are the community representatives. Left to right, Elden Long, New Lenox; Mrs. R. Schofield, Lincoln Estates; Mrs. Della Hussey, faculty member; H. B. White, Manhattan; Mrs. R. DeForest Mokena, and Mrs. Al Hochberger, Frankfort.

The Parent-Teacher group of Lincoln-Way high school will meet Jan. 5 at 8 p.m. in the school. The school band will be one of the numbers on an interesting program.

At this meeting, various committees will be announced and refreshments will be served. The officers urge all parents of children attending Lincoln-Way high school to be present, if possible. The first board meeting of this Parent Teachers group of newly elected officers and directors was held in the home of the president, Mrs. Herbert Folkers, in Frankfort, recently.

Death Of Leonard R. Storm Dec. 27

Leonard R. Storm, 51, a native of Marley, was found dead at his work at the Weber Dairy company plant, 407 W. Jefferson St., Joliet, Monday morning by a fellow employee. He was a night watchman at the dairy for the past year.

Mr. Storm was the son of the late Mr. and Mrs. John Storm who farmed in the vicinity of Marley. For a few years the family farmed in Alpine where his mother also helped care for the shipments at the old Wabash depot in Alpine. They later moved back to Marley.

Mr. Storm moved to Joliet after his marriage in 1947. He was also a real estate salesman.

When Warren Webster, a fellow employee came to work Monday morning, he found Mr. Storm lying on the floor and called a doctor and fire department. After working on him 45 minutes he was pronounced dead.

Surviving are his widow, Gladys; a sister, Annie and two uncles, David of Haven, Kans., and Randall of Homer.

Funeral services were held Wednesday afternoon in the Sonntag funeral home in Joliet with Rev. Ralph Miller of the Methodist church, New Lenox, officiating.

NOISEMAKERS READY FOR SAENGER PARTY

A good old fashioned New Year's Eve is in store for all who attend Charlie Hollwedel's New Year's Eve celebration in Saenger ballroom, Tinley Park, Friday, Dec. 21. Dancing, which will be done to the music of a fine 10-piece orchestra, will begin at 8 p.m. and continue until the wee sma' hours of New Year's day.

Admission price will include choice of three different complete dinners, Sirlon of Beef, Bar-B-Q Ribs, and Roast Young Tom Turkey. Dinners will be served at reserved tables.

There will be hats, noisemakers, confetti and all the fun fare that go to make New Year's Eve the traditional night of joy and merriment. A big crowd is expected from all over this area, and nothing has been left undone to assure a delightful evening for all who come.

Bank Meetings

The Orland State bank will hold their annual stock holders meeting Monday, Jan. 10. They declared a 6 percent dividend. Frankfort State bank annual meeting will be Tuesday Jan. 11. They declared 12 percent dividend.

The annual meeting of the New Lenox State bank will be Wednesday, Jan. 12 with a dividend of 6 percent declared.

Mokena State Bank declared a 7 percent dividend and will hold their annual meeting Wednesday, Jan. 12.

Bremen State bank at Tinley Park declared a dividend of 6 percent and will hold their annual meeting Thursday Jan. 13.

The use of coal for electric power generation is increasing in Missouri. In 1953, the state's 24 steam-electric plants were 63% on coal, compared with 57% in 1952.

Frankfort Lions To Initiate 18 New Members

The Frankfort Lions club will attend the Aunt Jemima pancake supper served in St. Peters Evangelical church in Frankfort, Jan. 18, after which they will adjourn to another room in the educational building of the church, to hold their regular meeting.

The district governor will be present and assist in the initiation of 18 new members.

May the new year be kind to you.

Business And
Financial Forecast
For 1955

1. General Business. Despite wails from some quarters, 1954 saw a drop in the average Physical Volume of Business of only 5% from the record year of 1953. 1955 could see a rise of about the same amount. Certainly, the direction of business until mid-1955 will be upward.

2. Businessmen will wake up. During 1954 many businessmen rediscovered the meaning of the word "competition." Sales will continue to be made with real effort in most lines.

3. Consumption Outlook. Consumption in a number of lines has been proceeding at a more rapid rate than has production. I forecast a better record in early 1955 for both steel and automobiles.

4. Textile Industry. Textile industry operated at extremely low levels throughout most of 1954. Coal and railroad equipment also exerted a strong downward pull. I forecast that the textile and coal industries will be in a recovery phase after their long stay in the doldrums.

5. Private Construction. I forecast that home building and general construction will be somewhat lower in 1955 than in 1954, but this important industry should still operate at high levels next year.

6. Public Construction. I forecast that public construction will increase during 1955. This should mean a rise in the output of cement.

All of the
"best" to
you this year.

Bruns Restaurant
New Lenox, Ill.

George Marshall
New Lenox, Ill.

7. Agricultural Equipment. This industry has been suffering from a decline in demand, but should now improve. Government-sponsored planting curtailment and crop loans have reduced free supplies, and may make for higher agricultural prices later in 1955.

8. Armament Industry. The armament industry will still be one of the main floors beneath the economy. The electrical and chemical industries will move at a rate close to that of 1954.

9. Other Industries. I am somewhat optimistic on clothing, aircraft manufacturing, air-line transportation, office equipment, electricity output, petroleum production, natural gas, and shoes. I am also fairly bullish on rubber, paper, electrical equipment, certain types of building, and nonferrous metals.

10. Weather Conditions. It is foolish for me to attempt to forecast rains, droughts, frosts, etc., for any special section. However, taking the nation as a whole, look for better weather in 1955.

11. Retail Sales. I forecast that the outlook for retail sales is encouraging, at least through the first half of 1955.

12. Profits. Stiffening competition is chipping away at the profit margin. Return on invested capital is in a long-term downward trend. The first few years after World War II were the golden years for the novice in business and for the inefficient. Those days are gone for awhile.

13. Selectivity. Higher labor and other costs, plus intensified competition, will continue during 1955. I forecast a high degree of selectivity in the effect of this trend on individual activities and companies. Victory will be for the nimble and for the strong!

14. Dividends. Recent high expenditures for new plant and machinery have left some concerns with very high depreciation charges. As new capital commitments are cut and depreciation remains high, cash inflow could expand. Such companies should be able to pay out in dividends a higher percentage of earnings in 1955 than in recent years, notwithstanding a moderate profits shrinkage.

15. Inventories. Inventories have been permitted to run down during 1954. As total business expands, there will be a tendency to replace reduced stocks, especially during the first half of 1955. Total manufacturers' inventories, however, may build up more rapidly than total business inventories. I forecast that total wholesale and total retail inventories will show little change from 1954 levels.

16. Prices of Manufactured Goods. Even with the expected pickup in demand, I see no sharp markup in industrial prices next year. Over-all supplies are generally ample. Hence, I forecast that industrial prices in 1955 will show little change from recent levels.

17. Food Prices. Food prices may firm later in 1955. The strong move into Government crop loans this year has made free supplies of most agricultural items less burdensome. I forecast that new advertising programs by canners and other great food distributors will help farmers, stock raisers, and fruit growers.

18. Consumer Income. Consumer income will hold at satisfactory levels. Most goods should move readily into consuming channels.

19. Living Costs. I forecast that during 1955 living costs will show little over-all change from present levels. There may be some firming during the first half, but the late months may again witness a minor softening.

20. Rents, Etc. I forecast rental expenses may edge somewhat higher; clothing costs should be steady to moderately higher. There is small chance that food expenses can be greatly reduced.

21. Money Supplies. I forecast that money supplies will be ample for all legitimate business needs during 1955. With little likelihood of business getting out of hand on the upside, credit

22. Inflation. Fears, or perhaps hopes, of an inflationary boom should be buried. Barring outbreak of war, our productive capacity is sufficiently large to meet all demands for goods. I forecast that no runaway inflation is probable, even if the money managers increase the supply of money or ease credit.

23. Interest Rates. Until the Treasury finds a way to balance the budget, hold business at high levels and unemployment at a minimum, I forecast little likelihood of higher interest rates.

24. Bond Prices. With the possible exception of tax-free bonds, I see no reason for increased bond prices in 1955. I forecast an increase in the issuance of tax-free revenue bonds.

25. Stock Prices. After so sharp a rise, the market could have a reaction; but I am forecasting no crash in 1955 such as we had in 1929. In fact, the situation changed for the better October 11, 1954.

26. Wages. I forecast that the wage trend in organized industry will continue to move higher at least in the first half of 1955. During the first half year, when business will be improving, the labor chiefs will also be quick to resort to the strike weapon.

27. Other Labor Gains. I forecast that the heavy guns of the labor bigwigs will be trained on the guaranteed annual wage, shorter work week, and more pensions. With a better congressional control of appointments to the National Labor Relations Board, the decisions of that body will swing more toward labor than toward management.

28. New Inventions. These will mostly be a labor-saving type. I forecast a marked increase in automation and cybernetics, and other marvelous changes in production methods.

29. Employment. Unemployment outlook is brighter, since business will be on the upgrade during the first half. I forecast that local and seasonal unemployment will still prove a knotty problem.

30. Failures. The salient business characteristic of 1955 will be bitter competition. Many companies already weakened by competitive conditions will no longer be able to keep afloat. I forecast a rise in both the number and the total value of failures during 1955.

31. Mergers. I forecast that mergers and consolidations will be encouraged by federal officials, if, by merging, a weak company can be saved. But while every effort will be made to prevent bankruptcies, Washington will frown on large mergers and consolidations.

32. General Real Estate Sales. The time is already past due when real estate prices should have been falling. Only a fear of World War III and easy credit have prevented this. Therefore, I forecast that a downturn in prices cannot long be postponed. The greatest speculation will take place in the seeking and trading of land with uranium prospects. This is now centered in Colorado, Utah, and vicinity; but I forecast it will spread in a limited way to many other states and even to "offshore" property. It could exceed the gold rush of 1849. Another demand will be for woodlands which can be bought for a few dollars per acre.

34. Commercial Farms. These have suffered a decline in price as a result of the slump in agricultural prices and farm incomes. Unless more will be done politically for the farmers next year, I forecast that the recent decline in commercial farm prices may continue during 1955. Subsidies on the fringes of larger cities should hold up well in price as migration toward the suburbs continues.

35. Vacant Land in City Areas. With the exception of parking lots, city vacant land should experience a continued slow reduction in price during 1955; but no marked change in suburban vacant land, except for parking. I am very bullish on land anywhere suitable for parking.

36. Business Property. I foresee little hope for improvement for such property in the larger cities during 1955. Business property in the suburbs has not been so inflated, and therefore will not be so vulnerable to declines and high taxes.

37. Industrial Building. The construction of new industrial plants gives every indication of continuing to mark out a downward course during 1955. I forecast that the brightest spot on the construction horizon for next

year is the prospect for increased municipal construction, - schools, hospitals, etc.

38. Residential Construction. The building of new homes was held at very high levels during 1954. Although I expect the trend of new home prices to be downward during the year 1955, they will still persist at very high figures, at least during the first half of the year. New homes will continue to be the choice of purchasers, even though older homes give better values.

39. Taxes. The Eisenhower Administration has clearly recognized that expanding business and increased expenditures for plant and equipment are the true sources for rising employment and more jobs. I forecast a continued air during 1955 will be to have taxes aid business - and thereby help employees to more and better jobs.

40. Income Taxes. I forecast there will be no further relief in 1955, of the double-taxation feature on dividends or of the 25% capital gains tax. Furthermore, corporation income taxes will not be permitted to decline as scheduled next spring. I forecast that, unless business slumps more than I anticipate during the late 1955, there will be no reduction in personal income taxes next year, except to correct some technical errors. Any relief for the individual "small" taxpayer will be saved until the election year, 1956.

41. Politics. The really big political news of 1955 will not be

made by the laws that will be enacted, but by the tremendous preparations for the 1956 presidential campaign. Those who claim that President Eisenhower is at heart a liberal and will get along well with a Democratic Congress should remember the lessons of politics.

42. World War III. In my opinion, the initiative in international affairs still rests with Russia. The Kremlin is not yet ready for an all-out attack and no one in the West wants World War III. Malenkov is now pushing a "Peace Offensive." I am referring here to the year 1955 - over the long term, I still feel that a major holocaust is inevitable, but I forecast no World War III in 1955.

43. Foreign Aid. Our foreign efforts during the year will continue to aim at plugging the leaks and building new dykes against the flooding tides from the East. I forecast we will work hard to build up Europe, with Germany as the core; but Russia will make spectacular gains in the Far East, particularly in India.

44. Foreign Competition. As Germany rearms and the Brussels Treaty Organization goes into gear, I forecast further improvement in Europe. Competition from European manufacturers will, however, intensify. Reciprocal trade deals will be pushed.

Facts About Policemen

The average number of police employees per 1,000 population in 1952 was 1.35 in all cities over 10,000. Cities of over 500,000 had an average of 2.29, according to the American Peoples Encyclopedia Yearbook.

Policemen in all cities over 10,000 worked an average of 48 hours per week. The average was

44 hours for cities from 100,000 to 250,000 and in those over 500,000. Of the 1,348 cities with over 10,000 population, at least 100 reduced the work week for policemen. The 40-hour work week goal had been reached in about 275 cities by the end of 1952; 50 of these cities went to the 40-hour week during the year.

Illinois To Have Big '55 Highway Building Program

The governor has outlined a \$123,600,000 primary highway construction program for Illinois for 1955, the most ambitious road

and bridge program in the State since hard road construction first started in the early 20's.

The governor's program calls for 215 miles of new pavements, resurfacing of 194 miles of existing roads, 70 new bridges, widening of 23 others, and 52 new grade separations.

In addition to the primary program, \$390,000,000 will be earmarked for toll roads, and \$74,000,000 for county and township work, with toll roads to be financed by bond issues, and the rest through motor fuel taxes. All this work is exclusive of anything which may be done in Illinois under the \$56 billion, 10-year coast-to-coast highway program by President Eisenhower.

Bituminous coal stores easily anywhere with safety and needs no expensive storage facilities.

Mr. and Mrs. Harwood Stellwagen and family spent Christmas with her parents, Mr. and Mrs. John Handorf in Marley. His parents, Mr. and Mrs. Ralph Stellwagen of Mokena spent Dec. 24 with them.

Christmas week was a happy time for most and was generally observed by attendance at church and school programs and family gatherings.

The Christmas program held at Maue school Tuesday evening was well attended and enjoyed by all. The program of plays, recitations and musical numbers was well planned and well presented. Santa Claus also made an appearance and passed out Christmas goodies to the children. During the social hour, refreshments of Christmas cookies, pop and coffee were served.

It was interesting to learn that all of the ornaments which adorned the Christmas tree in the lower grade room at Maue were made by the children. The upper grade children also made many of their ornaments.

Mr. and Mrs. Stuart Culp entertained at a family gathering at Christmas dinner.

Mr. and Mrs. Edward Mrosek and family enjoyed Christmas at a family gathering in the home of his parents, Mr. and Mrs. Gust Mrosek, Chicago.

Mr. and Mrs. Albert Reeves had dinner at home, Sunday evening they entertained at a party for relatives and friends.

Mr. and Mrs. Chester Williams, Chal and Reed, were Christmas dinner guests of her sister and family, Mr. and Mrs. H. L. McCaleb in Evanston.

Thursday evening guests of the Joe Pelouquin were his sister and family, Mr. and Mrs. Richard Hurley, sons, Dennis and Ronny, of Chicago. Mr. and Mrs. Pelouquin and her mother, Mrs. Nick Ridlin, son, Irvin, were Christmas dinner guests of their cousins, Mr. and Mrs. Norman Bunge in Wheaton. Sunday evening guests of the Pelouquins were his sister and family, Mr. and Mrs. Edward Schaal, of Harvey.

Miss Marie Chalfant, who teaches in Pana and is well known to many in Alpine, is spending the holidays with her sister and family, Mr. and Mrs. Chester Williams.

Sandra James of Riverdale was a Sunday over-nite guest of Carla Mrosek.

Mr. and Mrs. Sigmund and family spent Christmas at the homes of this mother, Mrs. Mary Bukowski in Chicago and her parents Mr. and Mrs. Paul Piotrowski in Chicago.

Mrs. Sigmund Bukowski reports that one of her ducks has hatched an out-of-season family.

by Donna Miller

School closed Wednesday afternoon, December 22 at 2:00 p. m. During the morning three movies were shown and Wednesday afternoon a party and gift exchange was held. The teachers were given a gift of money from the pupils and the teachers gave out bags of candy to each pupil. School will resume Jan. 3, 1955 at 9 a. m.

Bert Fulton School News

The children in room 104 had an exciting week when on Dec. 16 they presented their very first program to the other first graders. Glen Gungel, Fred Hauber, Kathy Crasper, Duane Malnar and Linda Mignano took part in "The 3 Billy Goats Gruff." The Boy and His Goats? was presented by Billy Boston, Harry Goldstrom, Billy Novak, Jackie Freitag, Debbie Raymond, Ralph Schaffer, Chuckie Hansen and Holly Sue Johnson. "The Donkey and His Band" was presented by Jimmy Ebell, Bobby Hayes, Jimmy Dotts, Kathy Staeker, Colleen Moore, Judy Johnson and Chuckie Hansen. Karen Erskine, Kathy Staeker, Jackie Freitag and Billy Boston made up the "Goldilocks" actors, while Harry Lundie, Bobby Hecker, Carla Shattuce, Linda Hoving had fun acting out the "Three Little Pigs."

Orland Mat Team Yields To Bremen At Sandburg School
Bremen high grapplers trounced a battling Orland Park mat team, 46-8, in the spacious new Carl Sandburg high school gym Dec. 14.
In dropping only the opening and closing matches, Coach Art Suchomel's matsters scored their most impressive wrestling victory in two seasons.
Norman Scharlau, 133 pounder, was outstanding in his win. Filling in for George Avellano, Scharlau promptly set to work and pinned his opponent in less than one minute. Coach Suchomel says of this performance, "Good reserve strength is certainly necessary for a good wrestling squad."
Winning 6-3 with a minute remaining in the match, heavyweight Ron Wesolowski let his 250 lb. mat foe get on top and score a pin. This defeat was only Ron's second in five contests.
In exhibition matches with Orland, Bremen wrestlers chalked up four pins in five tests of speed and strength.
Bremen Point Summaries
103 pounds: Joe Cisarella, pin, 5 points.
112 pounds: Jack Riuter, pin, 5 points.

Bremen Hi Beats Oak Lawn 47-45
Bremen high quintet eaked out a 47-45 win at Oak Lawn Friday, Dec. 17, for the Braves second conference victory.
With five seconds to go Bremen ahead 47-45, the Oak Lawn Spartans took possession of the ball and Spartan forward, Kunde, dumped in what seemed to be the tying basket.
Only after a decision by the Oak Lawn timekeeper was the outcome made official and the basket nullified.
Jumping to a 15-10 first quarter lead, the Spartans lost sight of the basket in the second period, and Bremen shot ahead 22-19 at half time.
Both teams scored frequently in the third quarter with the Braves on top 40-30. Wally Warszalek and Bill Lindsay fouled out in the final period, and the Bremen cagers minus two first stringers let the Spartans pull to within two points.
Al James tallied eight baskets for 16 points to lead the Bremen scoring attack.
Coach Emil Lussow's freshman squad trounced the Oak Lawn junior varsity 61-47 in an preliminary tilt.

Seeks To Boost Ill. Sales Tax One More Penny
The state administration will seek a deficiency appropriation from the new general assembly to cover needed increases in school aid payments. The last session granted appropriations of

\$139,883,000 for such purposes, a new record, but if this amount is not boosted soon certified claims of various school districts cannot be met fully.
State Rep. Paul Powell, Dem., Vienna, may introduce a bill in the 1955 legislative session to boost the sales tax an additional penny to raise funds for schools and mental hospitals. The county superintendents of highways throughout the state would like to have another cent added to the motor fuel tax in order to secure more funds for county road work. Both proposals will not be too popular with state officials seeking re-election in '56.
